Things
That
Block
Paths

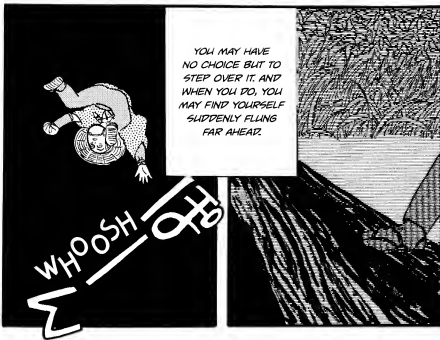

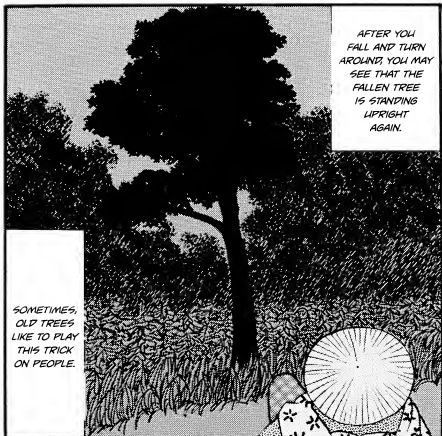

RETURNING
HOME
ON A DARK
ROAD IS A
FRIGHTENING
THING.

SOME-
TIMES,
A FALLEN
TREE MAY
BLOCK
YOUR
PATH.

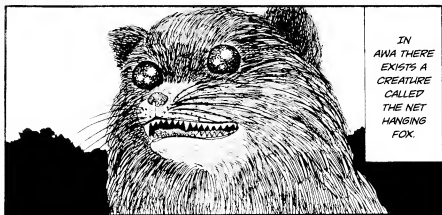

YOU MAY HAVE
NO CHOICE BUT TO
STEP OVER IT. AND
WHEN YOU DO, YOU
MAY FIND YOURSELF
SUDDENLY FLUNG
FAR AHEAD.

SOMETIMES,
OLD TREES
LIKE TO PLAY
THIS TRICK
ON PEOPLE.

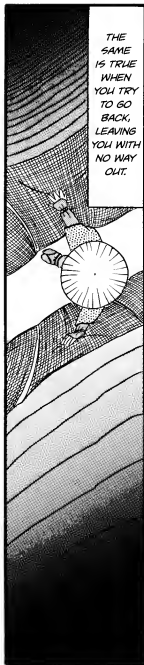

AFTER YOU
FALL AND TURN
AROUND, YOU MAY
SEE THAT THE
FALLEN TREE
IS STANDING
UPRIGHT
AGAIN.

IN
AWA THERE
EXISTS A
CREATURE
CALLED
THE NET
HANGING
FOX.

SOME-
TIMES,
THERE
MAY BE
A NET
HLING
ACROSS
YOUR
PATH.

THE
SAME
IS TRUE
WHEN
YOU TRY
TO GO
BACK,
LEAVING
YOU WITH
NO WAY
OUT.

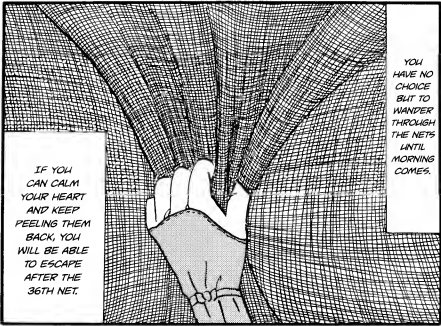

NO
MATTER
HOW
MANY
YOU PEEL
BACK,
THERE'S
ALWAYS
ANOTHER
NET.

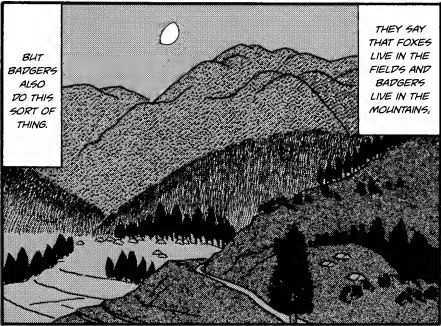

AND IF
YOU TRY
TO PEEL
IT BACK
AND GO
UNDER
IT, YOU
ONLY FIND
ANOTHER
NET IN ITS
PLACE.

A close-up illustration of a hand with a simple bracelet reaching out and touching a large, textured net. The net is made of a coarse, grid-like material and is draped over something, creating deep folds. The hand is positioned in the center, with fingers slightly spread as it makes contact with the net.

YOU
HAVE NO
CHOICE
BUT TO
WANDER
THROUGH
THE NETS
UNTIL
MORNING
COMES.

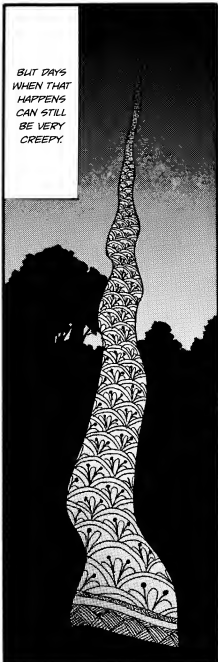

IF YOU
CAN CALM
YOUR HEART
AND KEEP
PEELING THEM
BACK, YOU
WILL BE ABLE
TO ESCAPE
AFTER THE
36TH NET.

A wide landscape illustration showing a range of mountains under a full moon. In the foreground, there's a river or a path winding through a valley. The mountains are covered in dense, dark foliage. The sky is a light gray, and the moon is a bright white circle. The overall tone is somber and atmospheric.

THEY SAY
THAT FOXES
LIVE IN THE
FIELDS AND
BADGERS
LIVE IN THE
MOUNTAINS.

BUT
BADGERS
ALSO
DO THIS
SORT OF
THING.

BUT DAYS
WHEN THAT
HAPPENS
CAN STILL
BE VERY
CREEPY.

WHEN WALKING ON
A STRAIGHT PATH IN THE
MOUNTAINS, YOU MAY COME
ACROSS A LONG CLOTH BELT
HANGING DOWN FROM THE SKY.
IT JUST HANGS THERE,
AND NOTHING SPECIAL
HAPPENS.
